Notes					

[This is a sample documentation form designed for an Independent Provider by DODD to be in compliance with rules that were in effect at the time of development [1/1/2014]. This is not an official document, and there is no requirement that providers use this particular document, nor is there any guarantee that this form will be in compliance with later rules. It remains the responsibility of the provider to be familiar with all applicable rules, including those covering service delivery and documentation. Use of this form for documentation is not a guarantee of payment, and services must be provided before claims are submitted for reimbursement.]
